### Dual Epson I3200 E1 Heads

Equipped with dual Epson I3200 E1 heads, deliver high quality, high speed output, and reliable performance in long term running

### GZ Variable Dot Technology

GZ Variable Dot Technology delivers flawless skin tone, smoother gradient, crisp text and intricate detail without compromising speed.

### Optimized Cleaning System

Newly designed Capping & Wiping System with one-pass wiper speeds up the print head maintenance with much lower noise. It maintains the print heads status to achieve perfect output.

### Adjustable Stepping System

One-piece grid roller with pressure adjustable pinch rollers assure accurate and wrinkle-free media stepping for different thickness of materials.

### Built-in Head Mount Heating System

Newly developed head mounting heating system warms up head quickly, and ensures smooth ink flow and stable jetting when in cold season.

### GZ Specific EPI2 Eco solvent Ink

The specific EPI2 ink for AQ1602S, with 2 years outdoor durability and 18 months self-life; giving wide color gamut, reliable output and optimize the head life.
