Specifications are liable to change without prior notice. The printing speeds are measured in 1.6 m width printing.

Dual Epson I3200 E1 Heads

Equipped with dual Epson I3200 E1 heads, deliver high quality, high speed output, and reliable performance in long term running.

GZ Variable Dot Technology

GZ Variable Dot Technology delivers flawless skin tone, smoother gradient, crisp text and intricate detail without compromising speed.

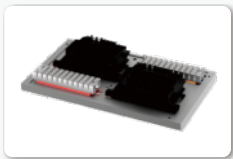

Optimized Cleaning System

Newly designed Capping & Wiping System with one-pass wiper speeds up the print head maintenance. It maintains the print heads status to achieve perfect output.

Adjustable Stepping System

One-piece grid roller with pressure adjustable pinch rollers assure accurate and wrinkle-free media stepping for different thickness of materials.

Built-in Head Heating System

Newly developed head mounting heating system warms up head quickly, and ensures smooth ink flow and stable jetting when in cold season.

GZ Specific EPI2 Eco-Solvent Ink

The specific EPI2 ink for AQ1602S, with 2 years outdoor durability and 18months selflife; giving wide color gamat, reliable output and optimize the head life.
